We would like to take the time to thank some very important people that make our studio a home!

To our Dancers:

You are all so much stronger than you even know! We are so grateful for each and every one of you. Thank you for making this our best year yet. You have all worked so hard and we have had so much fun being your dance teachers! We look forward to watching you grow as dancers and as children for years to come.

To our Dance Parents/Families:

Thank you for your support and patience as we navigated this crazy year. You really have no idea how much it means to us! Thank you for giving us the opportunity to teach your children! It has truly been such a joy!!

To our Competition Team and their families:

Dancers: Thank you for your hard work, passion and dedication this year and always! You have all grown so much this year and we are honored to have you represent Gone Dancing! Keep working hard in all that you do and the sky is the limit!

Parents: Thank you so much for your patience and cooperation as we made it through a very different Competition Season. We are truly grateful to have such supportive dance parents!

To our Staff:

Miss Lauren, Miss Julie, Javier and Miss Molly... Thank you for bringing your talents and true passion for dance to Gone Dancing. We sincerely thank you for being such amazing teachers and role models for our dancers. We can't thank you enough for all that you do!
